

Project SENSE Annual Update

You are invited to join us for the annual Project SENSE update!

After two years in the field, Project SENSE participants are seeing reduced nitrogen per acre and increased net return. Ken Seim will host this summer's update. Program will include:

- 2016 Results: Where it worked & where it didn't work
- Discussion on SENSE technology & equipment
- You'll see results in Seim's field

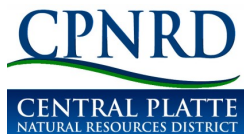

Project SENSE: Sensors for Efficient Nitrogen Use & Stewardship of the Environment

DATE: Wednesday, August 16th TIME: 10:00 to Noon (Lunch provided)

LOCATION: 1324 6th Road Chapman, NE 68827

Directions: From Husker Hwy & Hwy 11, drive 3 miles North to 13th St, turn left, drive 2 miles to Cameron Rd, turn right and go 3/8 mile. Site is on the east side.

Contact Dean Krull with questions: (402) 469-0155

RSVP BY AUG. 9th
