Camp Information

This camp is for kids who have completed 6th, 7th, and 8th grade in the 2018-2019 school year.

Dates & Location: June 16-19th, 2019, at the State 4H Camp in Halsey, Nebraska.

Arrival & Departure: Arrive at 4:00 pm CT on Sunday, June 16th. Camp ends at 2:30 pm CT on Wednesday, June 19th. Transportation to and from camp will be the parent's responsibility. Please arrive promptly with your campers but not before 4:00 pm CT. Check-in will begin at 4:00 pm CT.

Camp Cost: \$215.00.* The fee along with the registration form is due to the ULNRD by Friday, May 31st, 2019. Once the registration form has been received, additional information will be sent back to registered campers.

*Check with your local NRD about receiving a scholarship to attend the camp. You must reside in the district where you are applying for a scholarship.

Forestry

Learn about the fundamentals of trees and try your hand at tree planting on the ULNRD's tree planter!

Water

Water is essential for all life. Learn about water quality and aquatic macro-invertebrates in the Middle Loup River.

Range

Trek around the unique ecosystem that is the Sandhills and learn about how it benefits Nebraskans and how we can use it.

Edible Plants

In this session learn about common edible and toxic wild flora. Hike and explore with our master naturalist to see what types of edible plants you can find!

Wildlife

From insects to mammals, various species call the Sandhills their home. Come get hands-on experience with skulls, tracks, pelts, and live animals! Test your knowledge on how animals survive in the wild!

Soils

Soil is one of the most important natural resources. Varying in colors and textures, learn about the building blocks of soil composition. Then get your hands dirty by painting with soils and creating artwork!

Experience the exciting adventures of camp at Halsey including: tubing, zip line, archery, river activities, and celebrate 10 years of ACE Camp!

Explore outdoor cooking, technology, careers in natural resources and more!
